## SUMMARY

- I am a dedicated scholar, activist, and social worker with over a decade of experience in women's rights, peace, and social justice. As a Visiting Professor at Rowan University, I excel in online teaching, research leadership, and fostering cultural awareness. My work bridges academia and activism, influencing policy, organizing international conferences, and shaping public discourse. Renowned for developing inclusive curricula and professional networks, I actively contribute to advancing women's fundamental rights and promoting peace, particularly in the Middle East.
