Team Jack meets once a week throughout the internship via Zoom to provide campaign updates and answer any questions. The expectation is that each intern will participate in the weekly meetings while also attending 10-12 events in-person over the course of the semester. Interns will help plan and prepare for Town Halls, Rallies, and Meet and Greets. Members of Team Jack also assist with social media, data projects, door knocking, photography, and more!

Will there be opportunities for the intern to observe:
