LIBERAL STUDIES: Humanities/Social Science (Revised February 2015)

Physical Sciences: Physics Program Sequence B

Required credits: 20

**Introductory Level Courses: 4 credits**
PHYS 00150  Physics of Everyday Life

**Advanced Level Courses: 12 credits**

*Choose one course from:*
PHYS 00220  Introductory Mechanics
PHYS 00210  Physics I w/out Calculus

*And choose one course from:*
PHYS 00222  Introductory Electricity & Magnetism
PHYS 00211  Physics II w/out Calculus

*And choose one course from:*
ASTR 11230  Astronomy and Astrophysics
PHYS 00340  Optics and Light

**Senior Level Capstone: 4 credits**
PHYS 00300  Modern Physics (*prerequisites Calculus II and PHYS 00211 or PHYS 00222*)
